Assignor and Assignee may be referred to herein individually as a "Party" and collectively as the "Parties".

WHEREAS, Assignor is the current owner of the registered trademarks set forth below (the "Intellectual Property"):

U.S. Display Group (logo/with design)	77383625	January 29, 2008

WHEREAS, Assignor seeks to assign its right, title and interest in and to the Intellectual Property to Assignee;

WHEREAS, Assignee desires to acquire from Assignor all right, title and interest in and to the Intellectual Property.

NOW, THEREFORE, for \$1.00 paid by Assignee to Assignor, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee hereby agree as follows:

SECTION 1. For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, and subject to all existing liens against Assignor, Assignor hereby assigns, sells, transfers, and conveys to Assignee, all of its right, title and interest in and to the Intellectual Property, and any and all claims, demands, and causes of action, for infringement or otherwise, of the same, past, present and future with respect to the Intellectual Property rights.

SECTION 2. Assignor represents and warrants to Assignee that it is the exclusive owner of the Intellectual Property. Assignor further represents that it will cooperate with Assignee to take all necessary steps, if and where applicable, including without limitation making any filings with all regulatory authorities, that Assignee determines it needs to take in order to transfer the registry of any and all Intellectual Property rights, titles and interests.

SECTION 3. Assignor hereby covenants and agrees to and with Assignee, its successors, legal representatives and assigns, that Assignor will, whenever counsel of Assignee, or the counsel of its successors, legal representatives and assigns, shall advise that it is lawful and desirable, sign all papers and documents, deliver necessary documents, take all lawful oaths, execute separate confirmatory assignments, and do all acts necessary or desirable to be done in order to effectuate the transaction contemplated by this Assignment.

SECTION 4. Assignee hereby assumes, agrees to be bound by and to perform all the obligations of Assignor, if any, in connection with its Intellectual Property rights.

SECTION 5. This Assignment shall be binding on each of the Parties and their respective heirs, distributees, executors, and legal representatives, successors and assigns. This Assignment may not be modified except by an instrument in writing which is signed by the Parties.

SECTION 6. This Agreement will be governed by and construed in accordance with the laws of the State of New York, without reference to its principles of conflict of laws thereof (except any provisions of the laws of such State that would render such choice of law ineffective).

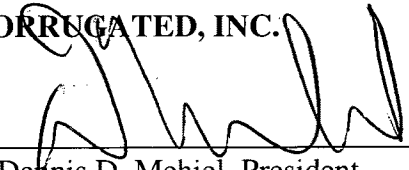

SECTION 7. This Assignment may be executed in counterparts, each of which shall be deemed an original agreement, but all of which together shall constitute one and the same instrument.
